

# FOODSAVER

Reducing Food Waste, Fighting Hunger

An app to donate surplus food  
to those in need

# The Problem

---

- Over 1/3 of all food produced is wasted.
- Many individuals and families struggle with hunger.
- Existing donation platforms are complicated and don't provide local solutions.
- Difficulty in locating nearby donation opportunities.

# The FoodSaver Solution

---

- FoodSaver connects individuals, grocery stores, and restaurants with surplus food to those in need.
- Simple, easy-to-use platform for food donations.
- Reduces food waste and helps the community.

# Who is FoodSaver For?

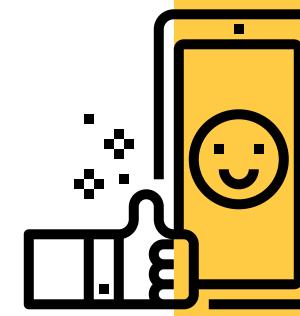

---

- Restaurants, grocery stores, and charities.
- People who want to donate surplus food.
- People in need of food .
- Volunteers willing to help with food distribution.

# Key Features of FoodSaver
